-

Employment History:

Student – Just IT bootcamp -full time (present)

Dec 2021 – Mar 2022

2nd floor, Saint Clare House, 30 – 33, Minores, London, EC3N 1DD

I am attending 12 weeks software development program at Just IT bootcamp in London. I am studying HTML5, CSS3, JavaScript, Python and database design.

Architect - Freelancer

Jan 2017 – Nov 2021

32, Overbrook Walk, Edgware, HA8 6JW

Managing the planning application process dealing with planning appeals and offering representation where required. Worked as a freelancer occasionally based on the client requirements to prepare planning application documentation for side extensions and loft conversion.

- Provided high level drawings by using architectural software – Archicad/AutoCad.
- Create designs for new construction projects, alterations and redevelopments.
- Liaised with the client and council issues.

Architect Assistant – 4MGroup (part time)

Sep 2012 – Dec 2016

18 Greek Street, Soho, London W1D 4DS

Provided architectural assistance to architects in developing construction plans. Prepared and developed layouts, elevations, cross sections drawings by using architectural software called ArchiCad and AutoCad.

Projects:

Build my website (<https://emine-gashi.co.uk>): It's my first website that is still in progress and developed using HTML5, CSS3, JavaScript, and Bootstrap.

Education:

Bachelor of Science in Architecture – University of Prishtina

Sep 2003 - Nov 2008

Prishtina, Kosovo

Studied Architecture as main subject, interior, exterior, construction and spatial planning and urbanism.

Hobbies and Interests: Photography and Reading.
